

## FAW

China FAW Group Corporation, commonly known as FAW, stands as a stalwart in the Chinese automotive industry with a rich history dating back to 1953. Established in Changchun, Jilin Province, FAW has grown from its initial roots as the first automaker in China to become a powerhouse in the global automotive market.

Dong Xu Vehicle, as a leading manufacturer and exporter of the trailer and semi trailer products in China, also provide new and used tractor trucks of various models produced by China FAW Group Corporation, including J6, J7 and other series of products.
