

Dong Xu Fence Semi-Trailer

The fence semi-trailer is an essential component of the modern transportation industry. It is designed to carry a wide variety of goods, offering both functionality and efficiency. One of the key features of a fence semi-trailer is its sturdy construction. The frame is typically made of high-quality steel, ensuring durability and the ability to withstand heavy loads. The fencing around the trailer provides excellent visibility of the cargo, allowing for easy inspection and monitoring during transit.

Fence semi-trailers come in different sizes and configurations to meet the diverse needs of shippers. They can be customized with multiple compartments to separate different types of goods, preventing damage and ensuring safe transportation.

Shandong Dong Xu Vehicle Co., Ltd., as a manufacturer, we can provide customized service as your requirements. And also, OEM/ODM service.
