

HOWO

China National Heavy Duty Truck Group Co., Ltd. (CNHTC), commonly known as Sinotruk, is a leading Chinese state-owned manufacturer of heavy-duty trucks. Established in 1935, Sinotruk has grown into a global player in the commercial vehicle industry, renowned for its robust engineering and extensive product range.

With a solid reputation built on decades of experience and continuous improvement, Sinotruk remains at the forefront of China's heavy-duty truck industry. As the demand for reliable transportation solutions grows globally, Sinotruk continues to innovate and expand its product offerings, reinforcing its position as a leader in the commercial vehicle sector.

Dong Xu Vehicle, as a leading manufacturer and exporter of the trailer and semi trailer products in China, also provide new and used tractor trucks of various models produced by China National Heavy Duty Truck (CNHTC), including SITRAK, HOWO and other series of products.
