

## Dong Xu Skeleton Trailer

Dong Xu Skeleton Trailer can be used to transport containers, such as in ships, ports, routes, highways, transfer stations, bridges, tunnels and other logistics systems. And also can be used to transport dangerous goods tanks. For the trailer body, adopt high strength steel to make it more sturdy and durable. The paint is smooth, bright and strong. According to your usage, you can choose suitable size design and the load capacity from 30 to 80 Tons, also use different axle quantity to match local limit.

Shandong Dong Xu Vehicle Company Ltd is a leading manufacturer and exporter of the trailer and semi trailer products in China.
