

Dong Xu 3Axle Liquid Food Tanker Trailer

Dong Xu 3Axle Liquid Food Tanker Trailer stands out for its efficiency and reliability. Designed specifically for the safe and effective transport of liquid food products, this trailer configuration balances load capacity with maneuverability, making it a vital asset in the food and beverage industry.

The capacity often ranging between 20,000 to 40,000 liters, these tankers are optimized for bulk transport, allowing for fewer trips and greater efficiency. The advanced insulation and heating systems incorporated into the trailer ensure that temperature-sensitive liquids, such as dairy products or juices, are transported under optimal conditions.

Dong Xu 3-axle liquid food tanker trailer represents a blend of engineering excellence and practical design, offering an effective solution for the safe and efficient transport of liquid food products. Its advanced features and robust construction make it an indispensable tool for meeting the demands of modern food logistics.

Product name	3Axle Liquid Food Tanker Trailer
Type	Semi-Trailer
Max Payload	>30000 kg
Size	11500*2500*3800mm
King pin	2"(50mm)or3.5"(90mm)
Leaf Spring	90(W)mm*13(Thickness)mm*10(Layer)
Landing Gear	JOST/FUWA/Yahua Brand 28T
Axle	13 Ton Fuwa Brand
Suspension	Mechanical Suspension
Tire	12r22.5
Capacity	25m ³ -60m ³
Rim	9.00-22.5
Material	Food-grade Steel
Function	Transport food, water and others.

PS: All the parts of trailer can be customized.
