

## Dong Xu 3 Axle Multi-Function Flatbed Semi Trailer

Dong Xu 3Axle Multi-Function Flatbed Semi Trailer is a versatile and robust transportation solution designed to accommodate various types of cargo and meet diverse logistical needs. Its design typically includes three axles for optimal weight distribution and stability, crucial for carrying heavy loads over long distances.

These trailers are equipped with a flatbed platform, which offers flexibility in loading and unloading different types of goods, from large machinery and equipment to containers and palletized cargo. The flatbed design allows for easy accessibility from multiple sides, facilitating efficient loading and unloading operations.

Key features of a 3 Axle Multi-Function Flatbed Semi Trailer often include:

**Multi-Functionality:** Designed to handle a wide range of cargo types, including oversized and irregularly shaped loads. **Durability and Strength:** Constructed from high-strength steel or alloy materials to ensure durability and withstand heavy loads and rough terrain. **Versatile Loading Options:** The flatbed design enables loading from the sides and rear, as well as from above using cranes or forklifts, maximizing efficiency and flexibility. **Safety and Stability:** Equipped with advanced braking systems, suspension components, and secure lashing points to ensure safe transport and stability during transit. **Adaptability:** Can be customized with additional features such as side extensions, ramps, or tilt mechanisms to accommodate specific cargo handling requirements.

In conclusion, the 3 Axle Multi-Function Flatbed Semi Trailer is an indispensable asset in the logistics and transportation industry, offering versatility, durability, and efficiency in handling various types of cargo across different terrains and conditions.

Product	Dong Xu 3 Axle Multi-Function Flatbed Semi Trailer
Type	Semi Trailer
Max Payload	>30000 kg
Size	13000*3000*1760 mm
Axle	3Axle / 4Axle 13/16 Ton Fuwa / ZhengYang Brand
Suspension	Mechanical Suspension / Air Suspension
Tire	12r22.5
Landing Gear	28t Heavy Duty Landing Gear
King Pin	2"(50mm) or 3.5"(90mm)
Ladder	Mechanical Spring / Hydraulic
Material	Steel
Function	Container / Heavy Duty / Wood / Cargo Transporting

PS: All the parts of the trailer can be customized
