

## Dong Xu Food Grade 3-Axle Tank Semi Trailer

The Food Grade 3-Axle Tank Semi Trailer is designed for the safe and hygienic transportation of liquid food products, such as milk, edible oils, juices, and other consumables. Built to meet stringent food safety standards, it ensures the integrity and quality of the transported goods.

Made from high-quality stainless steel, the tank's interior is smooth and easy to clean, preventing any residue buildup and ensuring compliance with food safety regulations. The material is also corrosion-resistant, preserving the quality of the food products. This tanker semi trailer is essential for industries like dairy, beverage production, and food manufacturing, ensuring the efficient, safe, and hygienic transportation of liquid food products.
