

3/4 Axle 45ft Side Curtain Trailer for sale

The Side Curtain Trailer is a common type of logistics transportation vehicle, also known as Curtain Side Trailer. The flexible curtains on both sides of the trailer, which can be easily pulled open or closed, unlike traditional box trailers that use rigid metal walls.

The design of the Side Curtain Trailer aims to facilitate the loading and unloading of goods, making it particularly suitable for cargo that requires frequent loading and unloading operations.

DongXu Vehicle, as a OEM/ODM supplier of Side Curtain Trailer, can provide products as your requirements.
