

Curtain Side PVC Curtain Cargo Transport Semi Trailer

DongXu, the semi trailer specialist in China.

AS the leading semi trailer manufacturer and OEM/ODM supplier in China, we provide perfect customized service for customers, and also provide the optimal solutions for land transporting. DongXu Curtain Side Semi Trailer is one of the core products of DongXu semi trailer series, which is mainly used in the field of cargo transport. The side curtains on both sides of the compartment are made from PVC material, which can be slid open and closed, allowing for easy side access during loading and unloading.

According to customers' needs, various configurations can be provided to meet customers' transport requirements.
