

## Side Dump Trailer Export to Laos 3 Axle 40 Ton

The Side Dump Trailer is a vehicle specifically designed for transporting and unloading bulk materials. Its key feature is the ability of the truck bed to tilt to one side, allowing for quick unloading of cargo.

Unlike traditional Rear Dump Trailer, Side Dump Trailer is mainly used in worksites with limited space or complex working conditions, such as city roads, tunnel construction, or situations that require precise unloading.

DongXu 3 Axle 40 Ton Side Dump Trailer, exported to Laos successfully, widely recognized and welcomed by customers.
